

The IWW has announced *official support* for the *Occupy Wall Street* protests.

The IWW, the **Industrial Workers of the World**, otherwise known as the Wobblies, is organizing for the revolution in many nations around the world, one worker at a time, one workplace at a time. Our motto (borrowed by many other organizations) is, ***an injury to one is an injury to all***. Anyone who is not a boss is eligible to join with us to build ***a new society within the shell of the old***.

ONE BIG UNION of all the workers!

Wobblies!
